

AMENDMENTS TO THE DRAWINGS

Please replace one sheet of drawings containing Fig. 1 as presented in the international application with one sheet of replacement drawings containing Fig. 1.

Attachment: Replacement Sheet

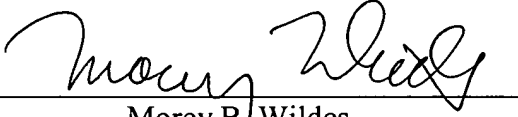

REMARKS

The application has been amended to adapt the specification and claims of the underlying international application to U.S. practice. Fig. 1 has been amended to show the described rotating group schematically so that all features of the claims are shown. Claims 1 to 10, as presented in the underlying International Application No. PCT/DE2004/001324, have been canceled without prejudice, and new claims 11 to 21 have been added.

Applicants believe that no fees are due as a result of this amendment. In the event of a fee discrepancy, please charge our Deposit Account No. 50-0552.

Respectfully submitted,
